

“Servite ’09 Celebrating Partnership” Honors Betsy Kish

This year’s Partnership Award was presented to Ms. Elizabeth Kish, former Head of School of Marian High School. Nearly two hundred friends and family of Ms. Kish and the Servants of Mary gathered to enjoy wines from Italy, France and the United States, as well as bid on silent auction items. This annual benefit supports the ministries of the Sisters and the daily operations of the Motherhouse.

We extend a special thanks to Robert Dwyer Investments for their generosity in helping to underwrite the event and contributing to the success of the evening!
