

Begin Lent With a Renewed Approach to Prayer

Well known author and international speaker, Joyce Rupp OSM, shared on her new book entitled Prayer with 80 fellow seekers on Saturday, February 9 at the Servite Center of Compassion. Her wonderful, insightful quotes on the process of prayer and her touching stories on personal prayer experiences, her own and others, made for a reflective and prayerful afternoon presentation. A four week Lenten book sharing group will continue to share the gems contained in Sr. Joyce's book. For details consult the Servite Center of Compassion calendar of events.
