Letter from the prioress

Sr. Mary Gehringer, OSM

Dear Family and Friends,

In the 1965 Vatican II document, *Perfectae Caritatis*, the synod asked religious communities to do an "...up-to-date renewal returning to the spirit and aims of each founder." Along with this, communities were to "...see to it that their members have a proper understanding of [people], of the conditions of the times and the needs of the Church, this to the end that, making wise judgments about the contemporary world in the light of faith, and burning with apostolic zeal, they may be able to help [people] more effectively."

What you see in this issue of our newsletter is a listing of the variety of ministries in which we have been involved. We also have a pictorial time line highlighting some of our places of ministry. From the beginning we focused on the ministry of education. As time passed, we branched off into other ministries, some dealing with various aspects of education, others with pastoral ministry, health care, etc., all meeting the current needs of the people. We want you to have a better idea of the depth of our work over

the 125 years that we have been in the United States. With our own spiritual and ministerial updating, we Servants of Mary, reached out to meet the needs of the Church and the people around the country. We didn't "give up" teaching. When a sister retired from active classroom duty it was because they no longer had the energy to deal with a classroom full of students and all that went with it. It didn't necessarily mean, however, that the sister wasn't capable, willing or eager to try something new.

On the final two pages of this issue, you will see a collage featuring many of our associates from around the country. The Associate Program began 29 years ago and is a vital part of our current ministry. These women and men have joined with us to continue our charism of compassionate presence in the world through a variety of ministries. We've listed the ministries in which they are/have been involved. In upcoming issues we will more fully feature the program and the associates as they celebrate their 30th anniversary.

In our next issue we will highlight the various celebrations that have taken place around the country to honor our 125th anniversary in the US and 100th anniversary in Omaha. We not only have enjoyed reconnecting with friends and benefactors, we have been reminded how richly blessed we are for having worked and prayed with all of you.

Thank you for your loving support and prayers for our Community and the ministries in which we are involved. Be assured of our daily prayers for all of you.

God bless you,

Sr. Mary Gehringer, OSM

CELEBRATE WITH SERVITES in 2018!

By Sr. Margaret Stratman, Director of the Servite Center of Compassion

This year the Servants of Mary are celebrating our Quasquicentennial of 125 years of ministry in the United States and our Centennial of 100 years in Omaha. This year marks two big anniversaries for us and we would like to share them with you. During our Summer Salads & Spirituality Series in June and July presentations will be offered on the various dimensions of our Servite Family.

On Friday, June 1st, John

Fontana OSM, Provincial of the Servite Friars, will share on the history of the Servite Order which was founded in 1233 in Florence, Italy, almost 800 years ago. On Friday, June 22nd, Lisa Sheridan, OSM, Director of our Associate Program, will explain various forms of Servite lay membership. On Friday, July 6th, Mary Gehringer, OSM, prioress of the US/Jamaica Community, will speak about our history in the US, our present and future. On Friday,

July 20th, Marie Therese Connor, OSM, Prioress of our International Congregation, will share about where we are, what we are doing, and our growth in the Congo.

Each event goes from 11:30 a.m. – 1:00 p.m. Presentations are preceded by a delicious salad luncheon provided by Sue's Creative Catering and conclude with dessert during the closing question period.

We Want Your “Likes” and “Shares”!

Please check our social media sites regularly for updates, photos and general information on what the Sisters are involved in currently. Our website, facebook and twitter pages are updated regularly with photos of the Sisters and other happenings around the Motherhouse.

Our social media sites continue to gain in popularity each quarter. Our numbers are up on both Facebook and Twitter. We are now up to 833 followers on our Facebook page . Like our page and invite others you think would enjoy it, and we are close to getting to our next goal of 850 followers. We are at 186 followers on Twitter. Please help us spread the word by liking our pages and sharing our posts with your own social networks. With your help, the Sisters can connect with more friends and spread the word about our ministries.

If you are a graduate of a Catholic school in the Detroit, MI area, I invite you to check out www.bishopgallagher.org and the FaceBook group “I Went to Catholic School in Metro Detroit” (search for this group from your FaceBook page). There is a lot of history and great interaction from people you may know.
