Compassion Connection

Volume 4, Issue 3

OCTOBER 2023

The mission of the Servants of Mary is to manifest
God's Compassionate Presence in the Spirit of Mary.

Letter from Sr. Jackie Ryan

Dear Friends,

A wise person once said, "The only constant in life is change." How true that is! In my last letter to you I wrote that the Servants of Mary had sold our Motherhouse and property to Marian High School. In our agreement with Marian, it was agreed that the sisters could remain in the Motherhouse as long as we choose. I would like to take this opportunity to further explain.

We would certainly choose to remain here forever. It is where we have formed community, developed our numerous ministries, taken vows and laid our sisters to rest. However, remaining here has strained our budget.

The aging process is no stranger to any of us. Let me explain. In the US, there are 51 Servite sisters. Five sisters are in three different long-term care facilities, two sisters in assisted living and two sisters in independent living facilities. There are twenty-one sisters living at the Motherhouse. The remainder of the sisters are living outside the Motherhouse. Our median age is eighty-one and we have two sisters in full-time salaried positions. The constant change I reference above is something we face every day.

We continue our commitment to live our mission of community and compassionate presence in the spirit of Mary, especially through our prayer and presence. To that end, we have hired consultants from the Religious Institute division of Plante Moran, an international consulting and investment firm. With the help of these consultants, we are investigating affordable options in Omaha for Independent, Assisted Living and Long-term Care for our sisters so that we can maintain our commitment to community. In addition to exploring housing options, our consultants are guiding us in creating appropriate infrastructures so that we are able to address the necessary business aspects of our lives.

As you can well imagine, these changes are staggering both emotionally and financially. Your ongoing partnership with us remains critical. I will continue to keep you updated as our plans evolve. Thank you for your support and friendship. Our future and our ministries have never been possible without you.

If you have any questions, please do not hesitate to contact me. I would look forward to sharing more with you on an individual basis.

And let us together remember the words of Dag Hammarskjold, *"For all that has been, Thanks. To all that shall be, Yes."*

Sr. Jackie
